

Chef Faila's Guinness World Record Attempt Falls Short, Grateful For Support

Accra, 3rd March 2024 - Despite encountering a setback in her Guinness World Record attempt for the Longest Cooking Marathon (Individual), Chef Faila, proudly supported by Headline Sponsors Electroland Ghana, Pomo Tomato Paste, and Verna Mineral Water, along with a host of esteemed partners, remains resolute in her culinary pursuits.

The attempt, which captivated audiences worldwide, unfortunately fell short of meeting the stringent guidelines set forth by Guinness World Records. A statement from the Records Management Team cited a violation of the rest break rules, resulting in an unsuccessful attempt.

In response to the decision, Chef Faila expressed profound gratitude to her supporters. "While the outcome may not be what we anticipated, I am deeply thankful for the unwavering support from our sponsors and partners, as well as the encouragement from our fans. Your backing has been instrumental throughout this journey," said Chef Faila.

Amidst the disappointment, Chef Faila remains undeterred, fueled by the support of her sponsors and partners. "Although this attempt did not result in a world record, it has been an invaluable experience. I am proud of the dedication and hard work put forth, and I am committed to continuing to push boundaries in the culinary world," she added.

The team at Guinness World Records acknowledged Chef Faila's efforts and encouraged future record proposals. "We commend you for your tremendous efforts with this record attempt. We hope you can still be very proud of what you have achieved." stated the Records Management Team.

Chef Faila's journey was made possible through the generous support of Headline Sponsors Electroland Ghana, Pomo Tomato Paste, and Verna Mineral Water, as well as Media Partners GTV, LifeStyle TV, Zaa TV, NTV, Sagani TV, Adom TV, Joy Prime, Diamond FM and Studio 502. Additionally, Chef Faila extends her heartfelt appreciation to other partners including Ghana Tourism Authority, Jordin Kitchenware, the Tamale Teaching Hospital, 6 Infantry Battalion Medical Reception Station, Commanding Officers and Soldiers of Northern Command, the General Officer Commanding Northern Command, Major General Matthew Essien, and the Ghana Armed Forces.
