Dear Sir,

**Request for Exemption of Institutions in the On-going Withdrawal of
Outdoor Services**

The Public Utilities Regulatory Commission (PURC) of the Northern Regional office would like to respectfully acknowledge the strike action being taken by your staff in response to the unfortunate and regrettable incident involving attacks on some of your staff.

While we empathize with your organization and condemn such acts of violence, we kindly appeal for your consideration to exempt certain critical public institutions from the on-going service withdrawal to the general public.

These institutions include:

- a) All Health Facilities
- b) Educational Institutions
- c) Water Treatment Plant
- d) Ghana Airport Company

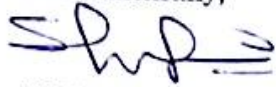

The Commission commenced extensive stakeholder engagements to assist addressing the concerns of your staff which in the view of the Commission are legitimate.

Counting on your usual cooperation and look forward to a favorable response.
