### FOR IMMEDIATE RELEASE

#### **NEW PATRIOTIC PARTY CONDEMNS THREAT OF DEATH AND PHYSICAL ASSAULT BY NDC OFFICERS**

The New Patriotic Party condemns the threats of death against the Minority Leader, Osahen Alexander Afenyo-Markin; the National Organiser, Henry Nana Boakye; and Hon. Frank Annor Dompren by the 1st National Vice Chairman of the NDC, Chief Sofo Azorka, and Alhaji Abdul Wahab Amadu, the Abuakwa North Constituency communication officer of the NDC.

The Party further condemns the unprovoked physical attack of its 3rd National Vice Chairman, Alhaji Osman Masawudu, by Chief Sofo Azorka and his notorious hoodlums.

Such violent conduct by no mean a person than a National Officer of the ruling party and a constituency officer diminishes the gains of our democracy and has the potential to create further insecurity in the country in the face of Ghana's recent decline in the Global Peace Index Ranking.

The Party will formally lodge complaints with the Ghana Police Service against the mentioned individuals.

We are also calling on the Inspector General of Police, as part of his post-election actions, to immediately arrest and investigate Chief Sofo Azorka, Alhaji Abdul Wahab, and any other person captured in the videos widely circulated in the media.

The recklessness of the actions of Chief Sofo Azorka and Alhaji Abdul Wahab ought to be properly investigated and punished.

Thank you.
